

Lars Ling, CEO CleanTech Region Impact Group, UK.

Lars Ling is a global Cleantech entrepreneur, enterprise promoter, advisor, and change-maker delivering focused exponential technology transfer, systems integration and outsourcing services toward green solutions solving global climate & societal challenges.

Lars is founder of CleanTech Region Impact Group AB, a CleanTech enterprise promotion company focusing on accelerated growth for Swedish CleanTech companies globally. Lars receives the support of public Swedish & Nordic agencies and private equity funds in these endeavours.

Organizing and initiating numerous project relationship platforms between Sweden and Australia, the Nordic countries and the US, Lars is now assisting Swedish, Nordic and European CleanTech companies find their way into global markets.

For the last 30 years Lars has been engaged in international business in Health & Fitness, IT with ReadSoft, a Swedish listed IT/software company, setting up offices while in Melbourne, Australia and in Copenhagen, Denmark. The Last 10 in CleanTechnologies.

Recognition received include the NewEconomy's award for the most innovative CleanTech and CleanTech Region Impact Group AB has recently been announced as one of the top 50 innovative CleanTech companies in Europe in NewEurope magazine (Dec/Jan 2016/17 issue).

Lars is a frequently invited speaker and inspirational evangelist on CleanTech & Entrepreneurship. In March 2010 he completed a World-tour of 15 cities – 4 continents in 28 days. The World tour is now back to 2022.

In Hawaii 2010 Lars was keynote speaker at the World Congress for Zero Emissions launching the blue economy.

Lars is educated in marketing and economics at RME Bergs School of Economics, Stockholm. English & Management exams in Melbourne Australia. A certified personal coach and motivator, Lars is currently working on his first book about the \$33 Trillion potential with exponential CleanTechnologies, services, financing and leadership.
